- Energy saving function

Product dimensions: (w x d x h) 595 x 575 x 595 mm

Carcase dimensions: (w x d x h) 560 x 570 x 590 mm

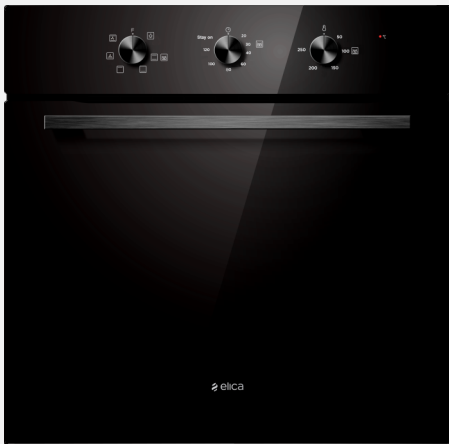

Introducing Built-in ovens with **Hydro clean Function**

Hydro cleaning, also known as steam cleaning. With a single touch, water is converted into high temperature steam which loosens & removes the stubborn stains or residues from the surfaces inside the oven cavity.

Hydro cleaning is a safe and eco-friendly way to clean your oven, as it does not involve the use of harsh chemicals or abrasive scrubbers.

MECHANICAL CONTROL BUILT-IN OVEN
